833-CYN-TELL [296-8355]

www.CyNtell.com

Founded in 2016, CyNtelligent Solutions, LLC (CyNtell) is a minority-owned small business providing cyber solutions directly and indirectly to government agencies. CyNtell's approach is compliance centric using our broad knowledge and cumulative years of experience in cyber GRC. Through industry recognized standards and best practices, CyNtell addresses an organization's policies, people, and processes.

CyNtell's core competency is a quadrangular based approach to developing compliance strategies and tactics for cyber security, cyber operations, privacy, and BC/DR planning.

Cyber Security | Compliance | Continuity | Consulting

DIFFERENTIATORS

- An experienced, qualified small business with socio-economic designations which eases an agency's burden by presenting sole-source opportunities and awards to meet small business goals and requirements.
- Services provided by former military and government employees. Hiring veterans who used to work in the agencies and operational environments we now service gives the agency and staff a high-level of comfort and confidence in our ability to meet their specific goals.
- Providing military-grade solutions to all agencies for the protection of data, systems and personnel.
- Performs audits and implementation of DFARS and CMMC compliance programs for prime and sub contractors.

SAM Registered | Small and Minority-owned Business | HUBZone Certified
